APPENDIX

FAIR PLAY FOR CUBA COMMITTEE (FPCC)

The April 6, 1960, edition of "The New York Times" newspaper contains a full page advertisement captioned, "What Is Really Happening in Cuba," placed by the FPCC. This advertisement announced the formation of the FPCC in New York City, listed various sponsors of the Committee and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press on Cuban affairs.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself as one of the organizers of the FPCC. Also, Dr. SANTOS-BUCH identified ROBERT TABER as a co-organizer of the FPCC and said TABER drafted the aforementioned FPCC advertisement. Dr. SANTOS-BUCH further testified that he and TABER obtained \$3,500 from the Cuban Government through the son of Cuba's Foreign Minister, which funds, along with about \$1,100 collected from supporters of the FPCC, paid for the cost of aforementioned advertisement in "The New York Times."

On October 3, 1960, a source advised that the Socialist Workers Party (SWP) in New York had become active in the FPCC, and that SWP members, in a recent FPCC election, had been able to remove several Communist Party members who were on the Executive Board of the FPCC and gain control of the organization. This source asserted that the SWP members believed that they had achieved a great influence in the course of the Cuban revolution through their control of the FPCC.

On February 10, 1961, a second source advised that PHIL BART, National Organizational Secretary and member of the National Committee, CP, USA, had reportedly stated recently that the FPCC had been captured by the Trotskyites, but that the CP had not given up in the FPCC.

The SWP and the CP, USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

FREEDOMWAYS ASSOCIATES, INC.

The records of the Secretary of State, New York State Department of State, Albany, New York, reflect that the certificate of incorporation of Freedomways Associates, Inc., was filed on March 2, 1961.

The first issue of "Freedomways," spring, 1961, is self-described as a quarterly review of the Negro freedom movement published by Freedomways Associates, Inc., 799 Broadway, New York City.

On May 25, 1961, a confidential source advised that "Freedomways" was set up by JAMES JACKSON, a member of the National Committee, CPUSA, for the CP of the United States with the approval of the CP of the Soviet Union.

On May 24, 1961, another confidential source advised that a report was given on "Freedomways" at a meeting of the National Board, CPUSA, held on May 24, 1961. It was stated that the original plan called for the publication to be openly Marxist, but that it was later decided it would not be avowedly a Marxist publication. Editorials are in the hands of a mixed group of Marxists and non-Marxists. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation.
